

COLORQUARTZ®

Versatile Colors

Colorquartz offers a wide array of colors, from natural and inviting tones, to bold and distinctive patterns. Colorquartz makes any creative design come to life.

Creative Innovation

Colorquartz is the fusion of aesthetics, science and meticulous attention to detail. We reflect the latest interior design trends to compliment your décor. Our advanced quartz manufacturing technology makes Colorquartz the starting point and finishing statement for every design-inspired interior space.

Premium Quality

Prior to shipping, every Colorquartz slab is thoroughly inspected, treated and polished to create a smooth, bright, lustrous finish. Colorquartz is durable as well as impact and scratch resistant. Colorquartz is non-porous and is NSF Certified as a food safe surface.

Maintenance Free

Maintaining Colorquartz is simple and easy. Our product never requires sealing, polishing or reconditioning. Soap and water is all that is needed to maintain the exceptional look of Colorquartz.

Explore Your Edge Options

A variety of edge profile options are available due to the inherent strength and durability of Colorquartz surfaces. Popular choices include the mitered edge to the standard or laminated edge. Make your mark with the perfect edge.

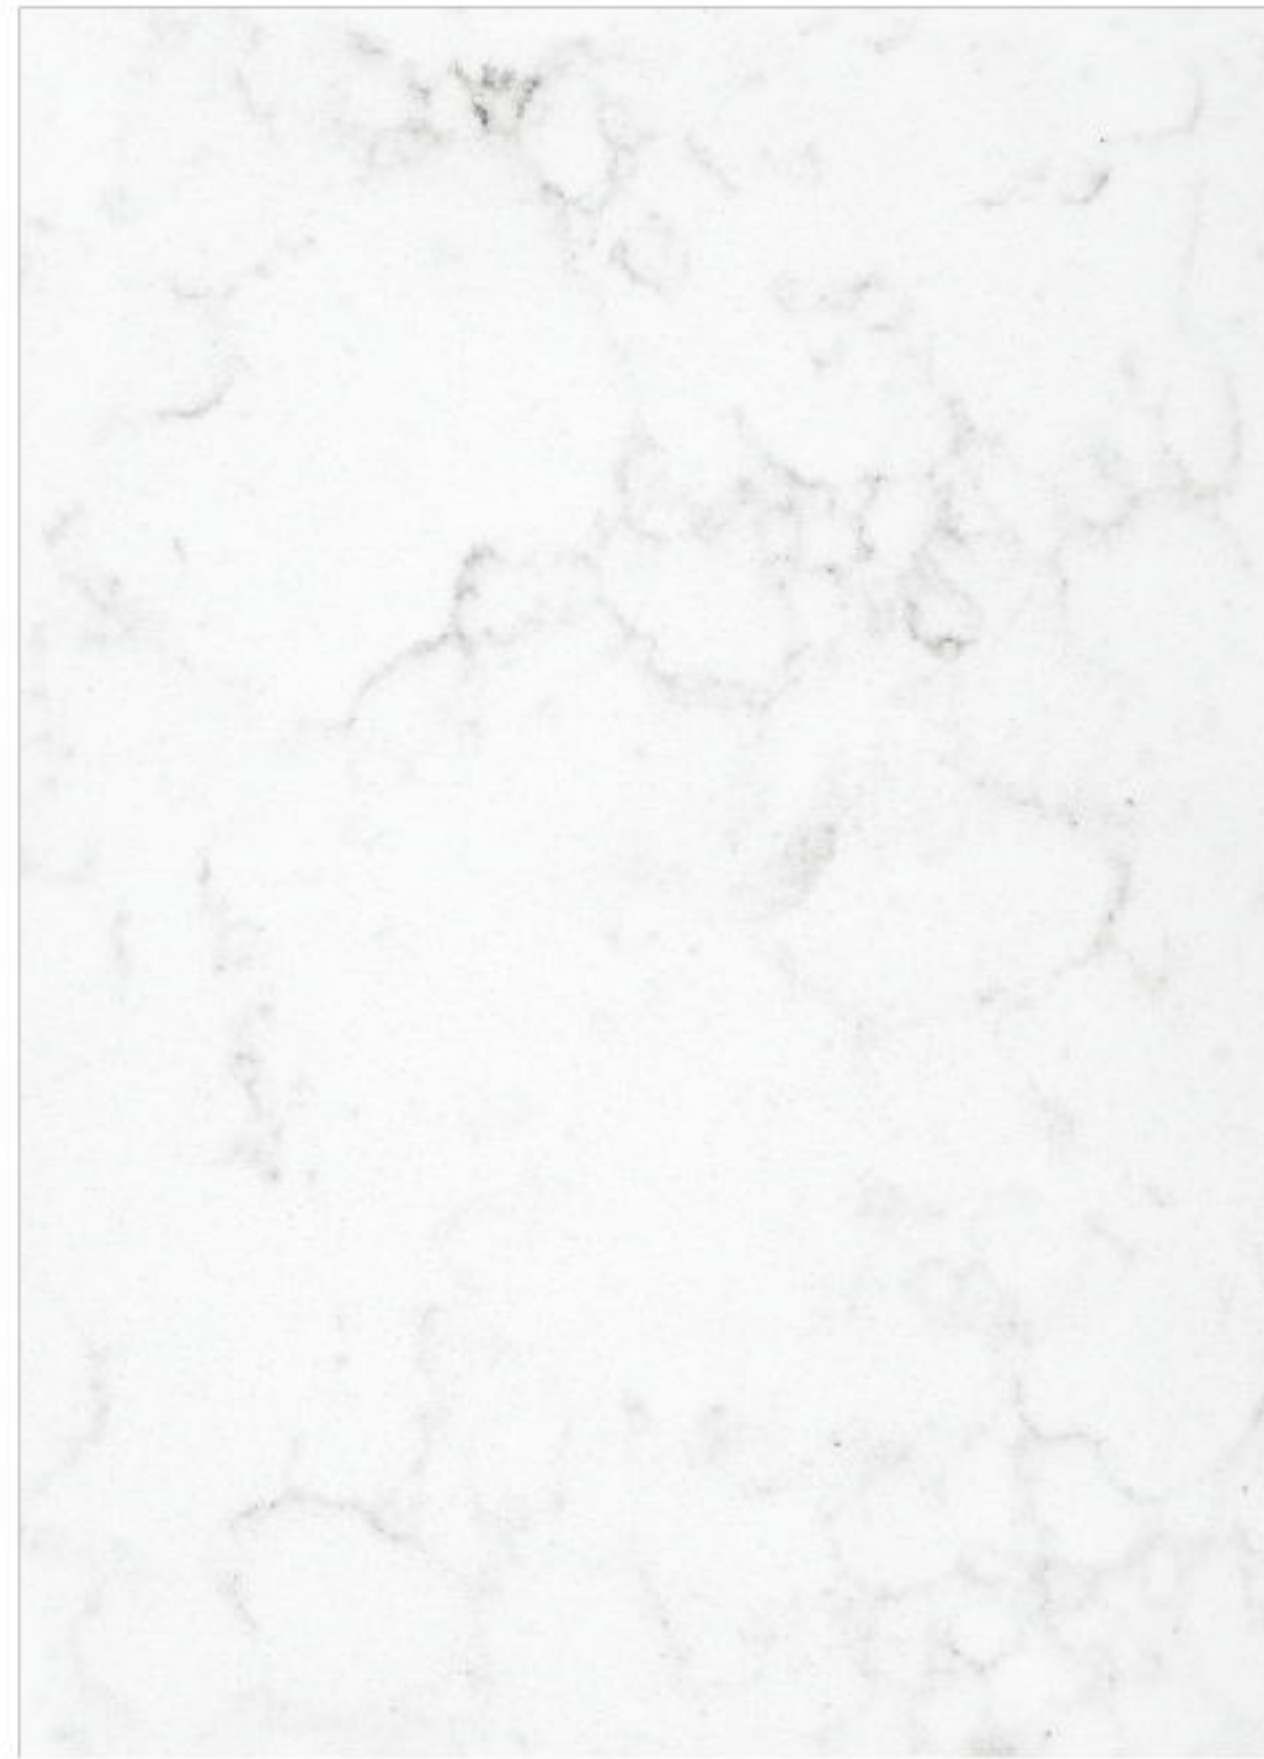

CQ-i Slab ID System

Colorquartz CQ-i is a state of the art tracking system which imprints each Colorquartz slab with a unique ID number and bar code. CQ-i is used for tracking and authenticating each and every slab.

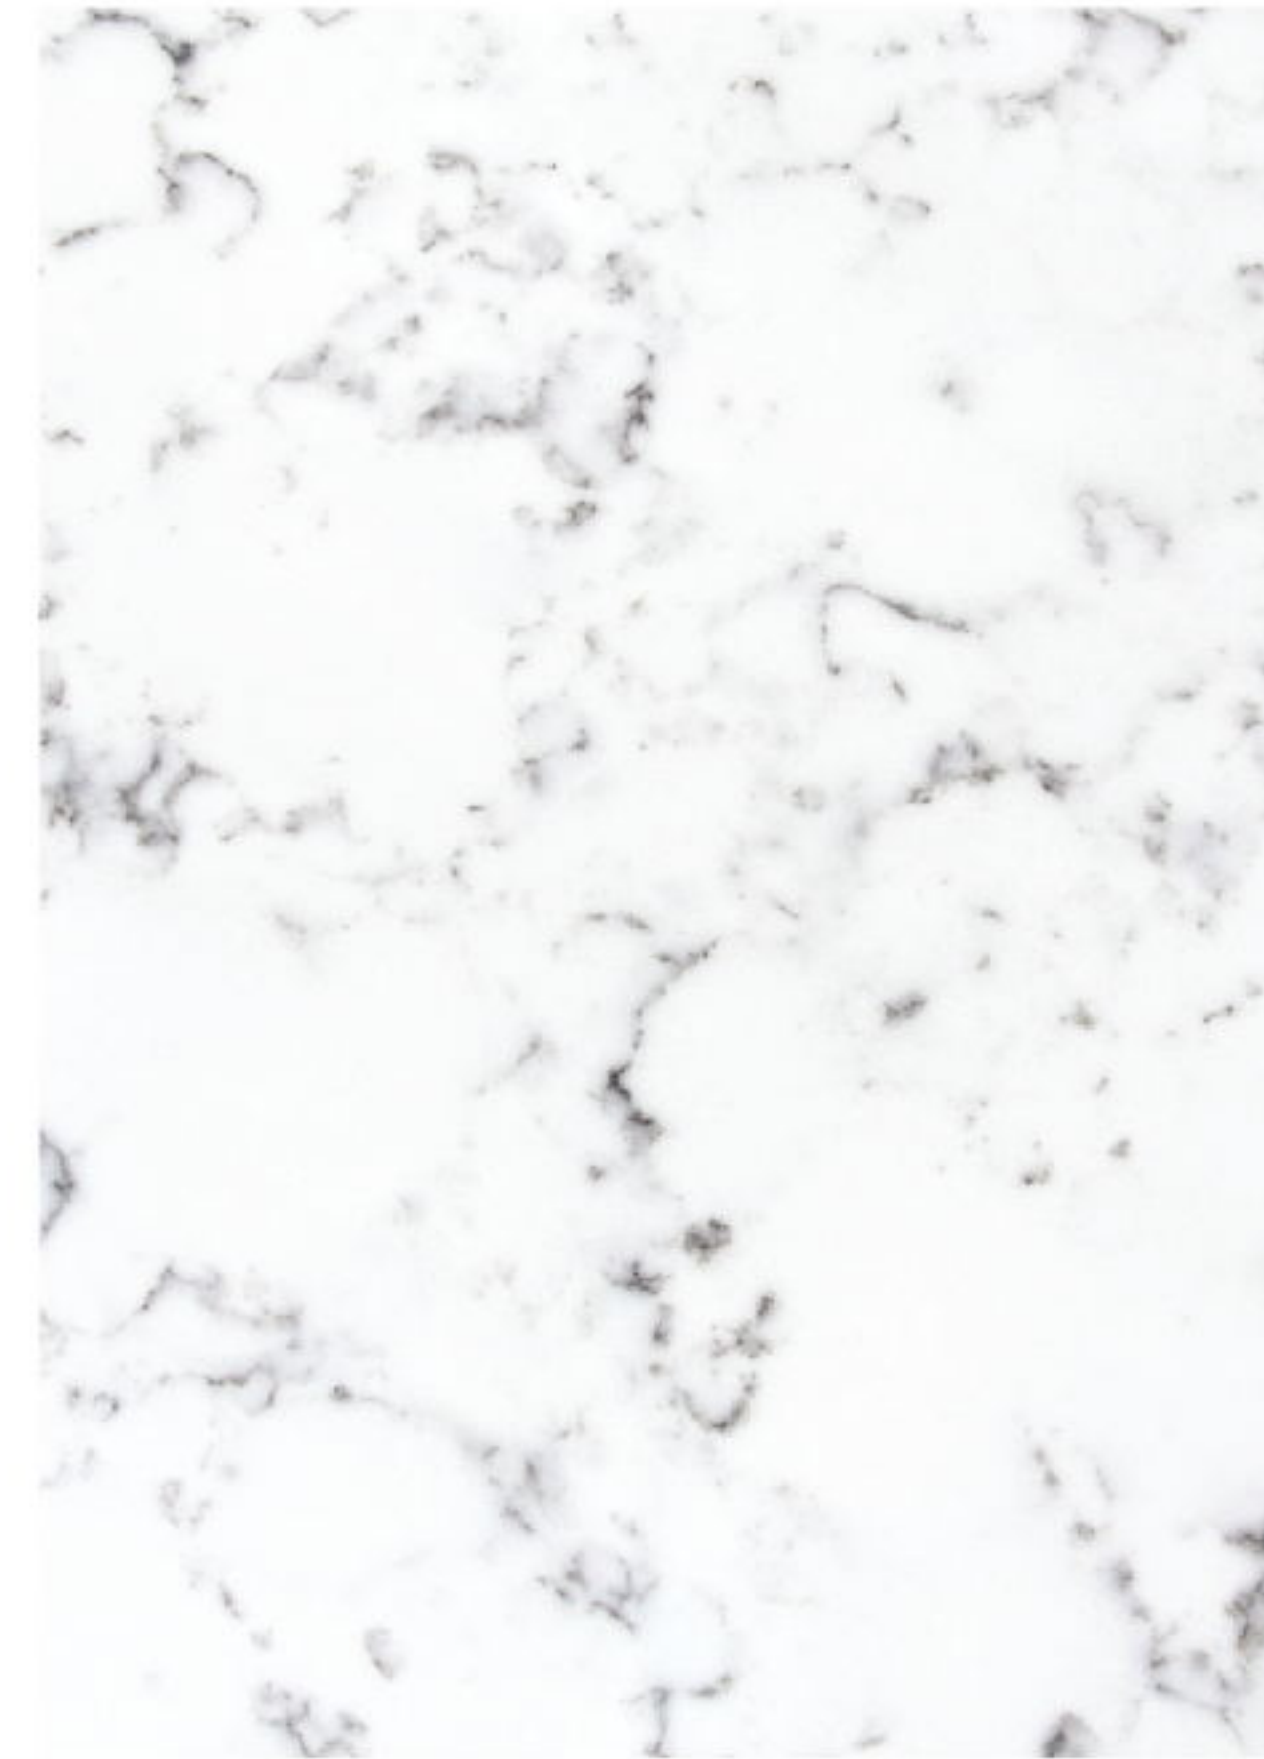

SOHO COLLECTION

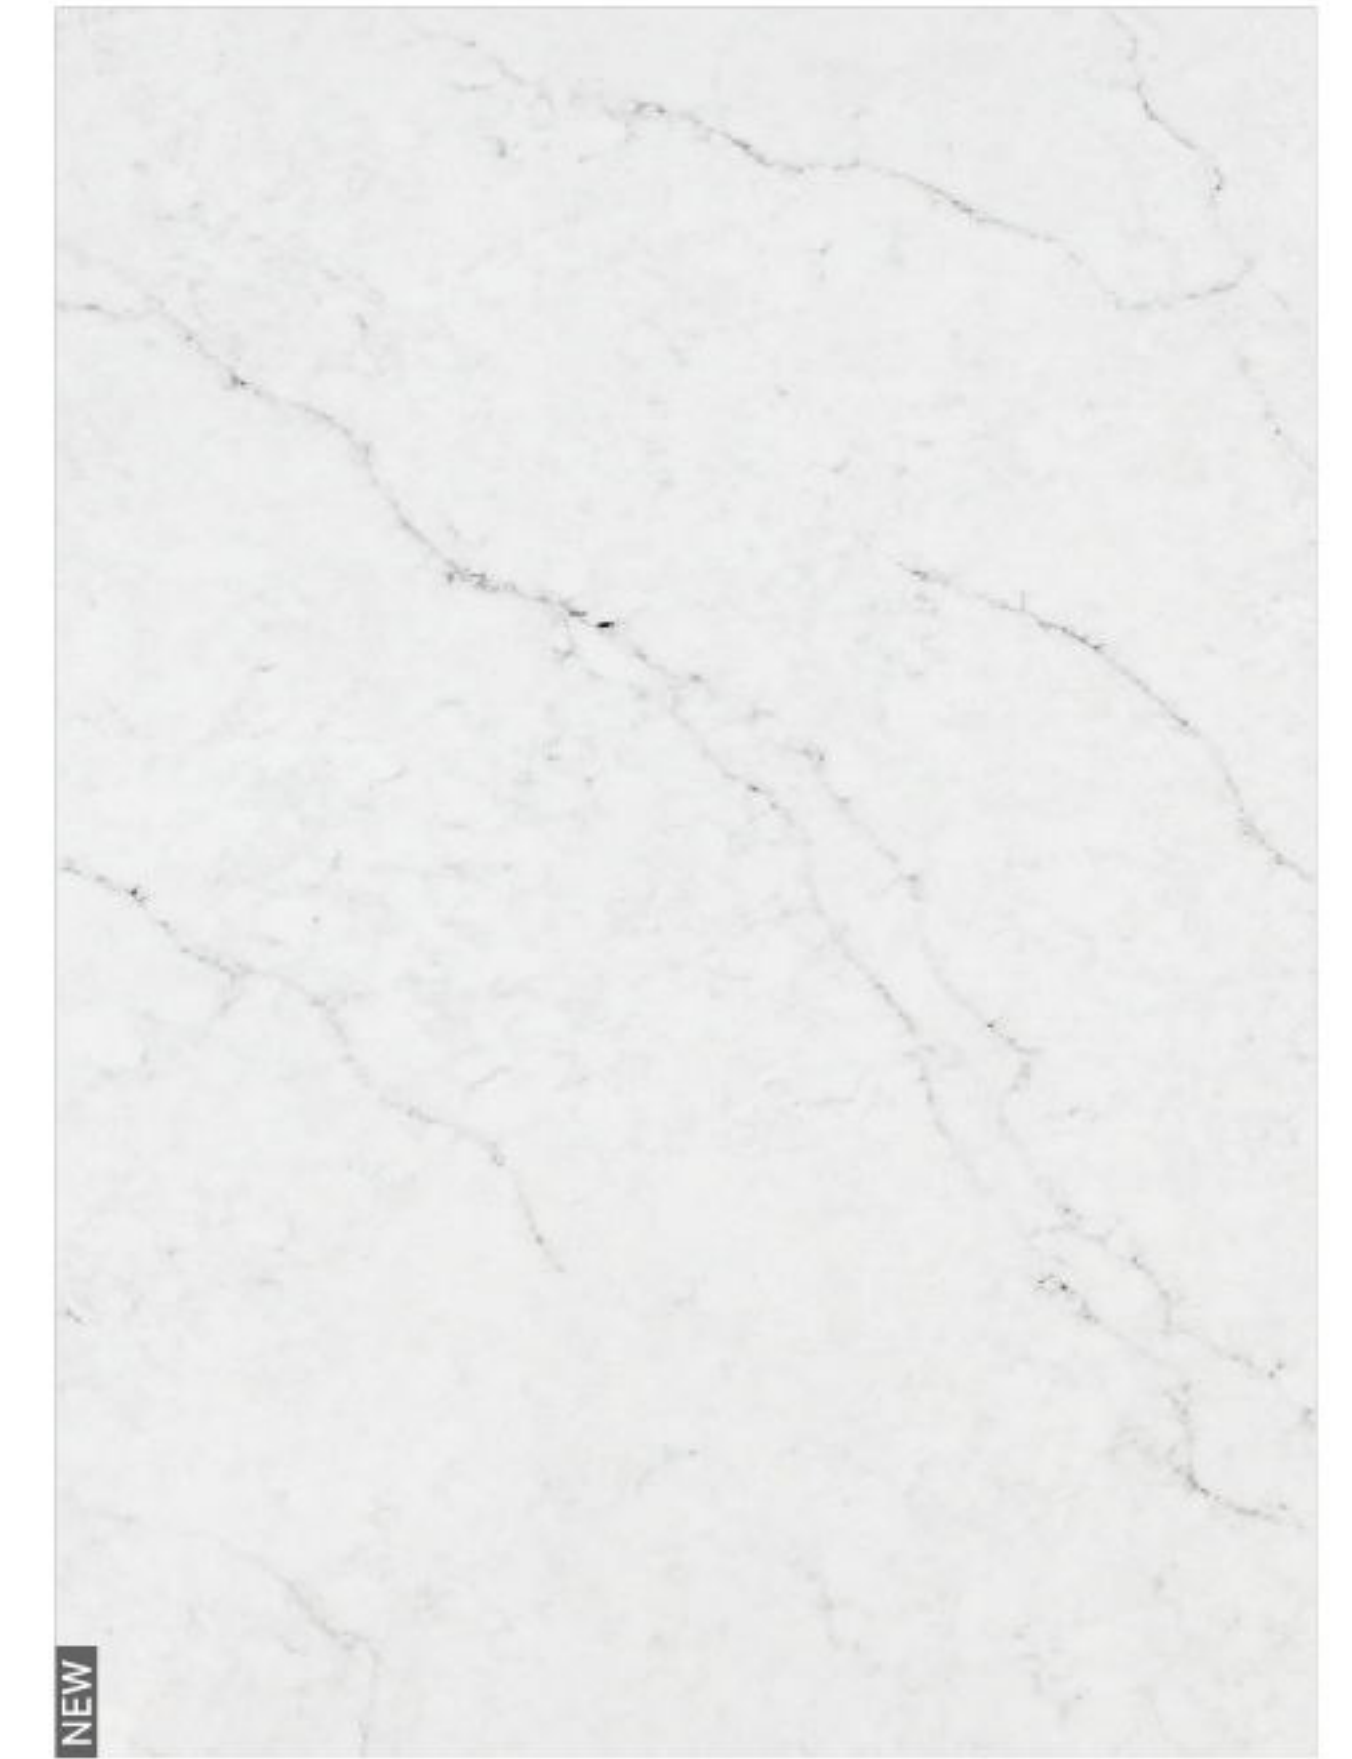

We want to take you on a journey celebrating Colorquartz's grand opening in the city that never sleeps, New York City. From the concrete jungles where dreams are made of, we hope to provide you with ideas, showcasing how you can create inspirational looks that stand the test of time using Colorquartz surfaces, inspired by the streets of one of New York's most iconic fashion districts, SoHo.
